Dear Jack:

I'm enclosing two articles with photos, one on Brunei and one on my visit to an Iban longhouse in Sarawak.

A word of caution on pix 7 and 8 with the longhouse story. I bought these pix from a photo store in Kapit and asked if they could be used for publication. They said "Yes," but must give photo credit. I've noted this on these two pix in the captions.

Could you please send any unused material to Singapore A. P. before January 12 or % Hong Kong A.P. following that. If any money is involved, could you send it to my father: Martin Deepe, Carleton, Nebraska Nebraska.

Thanks alot. Hope you have a Happy Holiday Season.

Sincerely yours,
