Memorandum

TO: $\phi\phi$

DATE: 26 Nov

FROM:

SUBJECT:

Beverly Deepe's story (rough)
enclosed. N-3 + I have looked
it over for accuracy already.

Reads well for "Readers Digest"
Audience. Hope you feel the
same. She is anxious to get
it off - but would like you to
personally look it over first.

Very respectfully

$\phi\phi$

*Sounds great
hope she calls it.
one suggested change in statistics*
