19173 prorosenfeld government four the new government structure ~~represents~~
represents an ~~inordinately~~ inordinately complex series of checks and
balances comma as does the american system stop but unlike the
american judicial legislative and executive check^s and balances
the vietnamese structure pitches the pronneutralist buddhist ~~politicians~~ ^{LEADERS}
versus the anticommunist catholics and the military generals versus
the civilian politicians dash some of the civilians are considered
pronneutralist stoppara

the legal basis of the new government is the moren twenty
military generals and branch commanders who form the general council
of the armed forces dash and the basis of the councils power is the
raw force of guns and soldiers stop the executive committee of the
council is the powerful ten man national leadership committee
which would vaguely represent the policymaking legislative branch
of the government stop it has drafted and presented eye new charter
stop its chairman is majgeneral nguyen van thieu dash which makes
him roughly equivalent to the chiefve state stop the secretary
generalve the national leadership committee is majgeneral
phan xuan chieu stop one of the ten members of leadership committee
is the newly appointed commissioner general in charge of executive
affairs comma air force vice marshal nguyen cao ky dash making him
