### Wednesday's Meeting:

## Individual SC Contributions Recorded

The following chart lists the amount of oral contributions on the floor of Wednesday's Council meeting from each member of the 1955-56 Council.

Debate has been divided into the four topics discussed for ease of tabulation. These categories include committee reports, discussion on the length of the exam week, discussion on the migration, discussion on the Council's Round Table with the Chancellor and, finally, a total amount comments for each member.

Absent members and those who left prior to adjournment have been indicated on

the chart. Skip Hove, Council president, presided during the meeting. Comments indicated on the chart with an "x" were special questions to the president.

Record of the discussion was made, in triplicate, during the course of the meeting.

In cases of differences in the tabulations, the average of the three has been used.

All Council members are listed alphabetically with the college or organization they represent.
